Dear Trooper Island Supporter,

As you are aware, Trooper Island has been serving the children of Kentucky for over forty years. Established in 1965 by the Kentucky State Police as a camp to strengthen the bonds between young people and law enforcement, Trooper Island has served over 25,000 youngsters during this time period. Your financial and visual support of this project continues to be vitally important.

You now have the opportunity to show your support to Trooper Island by registering your vehicle with a special Trooper Island license plate. We are currently in the process of accepting applications for this new plate and must have a minimum of 900 commitments for this project to come to fruition. To apply, fill out and mail the attached application along with a check for \$28.00 to the Kentucky State Police Media Relations Branch, 919 Versailles Road, Frankfort, Kentucky 40601. Checks should be made payable to: TROOPER ISLAND LICENSE PLATE.

Once the minimum number of applications is received, the Transportation Cabinet will notify you to pick up your license plate and registration. Upon receiving your new Trooper Island license plate, an additional \$10.00 donation and \$6.00 County Clerk fee will be due.

If you have any question, please contact your local Public Affairs Officer at Post or the Media Relations Branch at 502.695.6344. You may also visit our website at: [www.kentuckystatepolice.org](http://www.kentuckystatepolice.org).

Thank you for your continued support and providing camping opportunities for Kentucky's less fortunate children.

  
Rodney Brewer, Director  
Trooper Island Board
